

Sovos Compliance, LLC and its Affiliates may engage and use certain third party contractors and suppliers data processors (“sub processors”) to provide services and products to our Customers. These sub processors may have access to personal data provided directly by our clients or to which we may have access in order to perform the contracted services and products.

This webpage is provided as a high-level overview. Please note that not all sub processors are used in the provision of all services and products we provide, and some may only be involved in assisting with the provision of specific services and products.
